

THE PONY XPRESS MARZO 2012

MESSAGE FROM OUR DISTRICT DIRECTOR (Matthew 28:19, 20)

It's an exciting time in the life of the Royal Rangers across Kentucky, this nation and around the world. God is positioning us to influence more boys and young men than ever, more effectively than ever. In order to better position ourselves for future success, it is necessary for our leaders at all levels to have a clear understanding of our Royal Ranger Legacy Pass and Future. We are offering this Elective Module, "Your Legacy" as complimentary for those who are working on earning their Outpost Leader advancement Levels; we are offering this module to all at LEAD Conference this year (March 31). Training at LEAD starts Friday night the 30th at 7:00 more info is attached. LEAD Conference starts at 7:30 A.M.

A clear understand of our legacy will help us envision a clear future to better evangelize, equip, and empower the next generation of lifelong Christ like servant leaders. You will learn personal insight of the reluctance and fearlessness of two great men, and others that God called to support and develop this ministry into what it is today. There is so much more, you must come and be a part of this great movement of God from pass, to present. *To Infinity and Beyond!*

Attached to this news letter you can find the pre-registration form for LEAD or you may go to www.kyroyalrangers.org and download one.

CAMP WORK DAYS:

Royal Rangers' are celebrating our 50th year birthday. As we reflect on our legacy we will continue to look ahead to our Great Commission Matthew 28:19.

We are adding another workday to our calendar so we can have our alter ready for **2012 Pow-Wow TAKE FLIGHT**. We will be setting trusses for the roof and working on the Activities Barn. For info on those work days and to help work, contact your district director Gilbert Kerby at 502-222-8888 or 888-776-8324.

Check out the events listed for the next quarter, and clear your calendars to attend. Remember these events are not just lots of fun. We have implemented these to accommodate the four ways a boy grows; *mentally physical, social and spiritually*.
