

June 2013

MESSAGE FROM DISTRICT COMMANDER:

Greetings Team,

To know the will of God is the greatest knowledge, to find the will of "God is the greatest discovery, and to do the will of God is the greatest achievement (John 12:26).

The Greatest Adventure of all; is in accepting Jesus Christ as Lord and Savior. We become a brand new creature emerged in a Holy Culture of knowledge, discovery, and achievement, (servitude). This does not mean that every day is going to be perfect, but every day will have purpose as we journey with God. Our adventure with Christ will not be in a box, and it may not be simple, but it is rewarding. As you grow discovering the common task of the believers, God will reveal the custom tasks that are deigned just for you (Matthew 25:21, 23). You are invited to journey this adventure—an everyday relationship with Jesus Christ will develop within you Christlike character formation. He will give you hope that doesn't fade and He will make each day feel like the gift from 'God that it truly is. This is the Joy of the Lord!

I implore you my friends, to help prepare the hearts of boys and young men in the next few weeks to understand these points—the *Adventure*, the *Character formation*, and the *Task* of His faithful. Please brothers, pray and fast. Lord give us a revelation from you Father. That a reformation will take

place in the hearts of us all! That You Father will be glorified in all we think, say, and do. Safety and blessings to all of you! Amen.

Don't forget that guest, each boy should invite one. I have already receives some, and awaiting notification of more guest. ASAP please, but there is no time limit on invitations. Souls are in the balance my friends!

This is a copy of the art work for this year's Pow-Wow. You are welcome to use this as part of your entry way for your camp site. Or maybe draw some ideas from it. Thanks to all of you who support not only your district through your attendance of Pow-Wow this year. Thanks especially four your interest in the warfare of the souls of your boys and young men. We don't take it lightly—their souls are in the balance.

Something you need to know:

DEVOTION:

PERSONAL LIBERTIES:

John 8:36—*If the Son therefore shall make you free, Ye shall be free indeed.*

THOUGHT FOR TODAY:

The body of flesh is the seat of temptation to self-indulgence. One great object of fasting and abstinence is to secure this control over our bodies and soul, so that 'the flesh and your will may be subdued to the spirit.' Do you think that your witness is more important than your

personal liberty? As Christians we should judge the correctness of our actions -- not only on what is right and wrong -- but also based on how our actions might impact others (1Corinthians 8:13). How about when no one is looking--it's just you and God--could your actions have a direct or indirect influence upon your ministry to others? I say yes! Self-indulgence at a minimal level will contribute to impact the outcome pertaining to ministerial magnitude.

I was talking the other day with a prophetic evangelist friend. He shared with me of a time when he had a business and lost it all. Owing \$200,000.00 and not able to pay he saw a lawyer. The lawyer explained that he could file bankruptcy and would not have to pay anything. He told his lawyer that he did owe it and wanted to pay. His Lawyer reluctantly did as he requested. Spoke with the debtors and said that if they would not sue that he would eventually pay them in full. It took five years to pay it all!

I wonder if my friend had used his freedom to get out of paying this debt if God would be using him today. What do you think?

QUESTIONS TO PONDER:

In what ways have you restricted your liberty to improve your witness?
