## **DEVOTION: SAVED OR SALVATION**

**Ephesians 2: 8-9** For it is by grace you have been saved, not by works, so no man can boast.

### **THOUGHT FOR TODAY:**

Here in **8 & 9** Paul explained the work of God in us. In **Ephesians 2:10** Paul explains the great difference between being saved by good works and being saved for good works. Good works don't save us, but they do confirm that Christ has been received in our hearts and lives in us. Therefore good works alone will not produce a new nature or better human character, but a new nature (provided by our Lord) CAN and should produce good works. **Philippians 2:12, 13.**

The point is that in God's plan for salvation, the good works we do in response to His LOVE are extremely important. Why? He explains in **Romans 2: 6-13.**

I've been really busy trying to balance this fall season between family, ministry, leisure farming, and running my business. Well nothing is very leisure, although I love working the ground and seeing a harvest. I cut a field of hay and weeds last week and had just enough time with the weather to get this hay off the ground; except. The round bailer broke a belt and some hay is left on the ground waiting for harvest even during all this rain. But like I said I love farming, so somewhat dishearten I am having the belt fixed and will get the hay bailed before I am done. You better believe it friend! In Rangers that's why I do what I do, His love toward me such a sinner as I, and I still coming up short like that hay in the field. But you know what? We still going to get the bailer fixed and the harvest in; both in that hay field and in that field of the Lord of HARVEST. Cause we not going to quit He will complete His work in us my friends if we stay!

*Royal Ranger leaders are committed Christ—followers, mentors, servant leaders, team players, and faithful. As Royal Rangers we must each be committed Christ—followers. As such we should reflect the character, kindness and zest for life exhibited by Christ and described in the Ranger Code. We should be mentors, spirit—empowered models of Christlike manhood. We should be servant leaders. We are servants first and leaders second. We are also committed team players. Who balance individual and team rights for the good of the whole. Finally, we must be faithful. Those who follow will find us faithful for having been biblical, ethical, legal, moral, and wise.*

### **QUESTIONS TO ANSWER:**

Are you really saved? How can a man be born again? The whole matter is a miracle from God from start to finish. The Kingdom of Heaven is a new constitution. If saved, we are constituted anew, with entirely new set of capacities which make possible things which were never possible before. Is working that out your salvation?

**TRAINING: December 4-5/2015—Louisville, Kentucky @ Calvary Christian Center**  
**A/G to register go to [www.royalrangers.com](http://www.royalrangers.com) & training under National Training**

**Johnnie Barnes Excellence in Leadership & Ministry Initiative:**

The Johnnie Barnes Excellence Initiative (JBEI or EI), for short, will stretch you and your leadership team. You will be challenged to embrace new leadership behaviors and attitudes. Though counter-intuitive, you will discover freedom by embracing limits that lead to greater influence and effectiveness. You will also receive tools to continually improve upon past performance and reach new goals. Many in Kentucky may never have another opportunity as this, for such a great conference as this.

JBEI in Puerto Rico was a resounding success. Eighty-four leaders registered for this event that was offered in Spanish. The JBEI is a required seminar for the Platinum level of the (OLT) Organizational Leadership Level.

The new Ranger Training Camp (RTC) was released this past April, and we are getting very positive review from districts that are presenting it. It is intended to replace DTC and ATC.

Adult leaders have many opportunities to attend NRMCM, NEEC, or WCO. Please encourage leaders to sign up early and take advantage of the early registration discount. Remember these training events are needed to complete the Organizational Leadership Advancement Levels (OLAL).

Information on all of these events can be found on the national royal ranger website on the training link: <http://royalrangers.com/training/schedule/>
