"RANGER READY"

THERE IS READY AND THERE IS ROYAL RANGER READY.

(2 Samuel 22:33-51)

*Royal Ranger Readiness reflects the Strength of the Royal Ranger Team as well as the **Alertness** of the mental, physical, and spiritual strength that lies within each Ranger. It is a Readiness for **Cleanliness** of body, mind, spirit, and soul; reflecting an **Honest** character forged through **Courage** in spite of danger criticism or threats. The Royal Rangers' emphasis is on personal development, individual values and **Loyalty** to team work. The Royal Ranger is **Courteous** to all that he comes in contact with; reflecting the spiritual Readiness and **Obedience** of our Royal Rangers; to there parents, leaders and those in authority. A Royal Ranger's **Spiritual** Readiness lies within his personal relationship with our Lord and Savior Jesus Christ; strengthened by their families, friends and love ones that understand, encourage, and support them financially and Prayerfully.*

"READY" A Royal Ranger is ready, ready for anything, ready to work, play, serve, worship, live, and obey Gods Word.

"ready" in His service
